JANI Model Management Partners with Elite

Written by Karah Van Kammen

JANI Model Management is pleased to announce their partnership with Elite Model Management. Elite Model Management is the world's most prestigious modeling network. Founded in 1972, Elite represents more than 2000 models across five continents and offers complete international coverage thanks to a network of more than 30 agencies.

Having been voted “Best Agency in the Valley” for the second year in a row, JANI owner Maral Jorjani caught the attention of agencies across the nation with her roster beautiful and unique talent. Jorjani is excited to take the agency to the next level by placing her Arizona based models nationally and internationally.
