Kathy Shayna Shocket has the inside scoop on the social scene and Celebrities.

Which celebrity who interviews stars on the red carpet selected Scottsdale for her destination wedding?

Looks like the **Four Seasons** Scottsdale "took the cake" for **Adrianna Costa'**s wedding destination. After considering various locations in Colorado, California and Arizona, the correspondent for the entertainment news television show **EXTRA TV,** narrowed her choice to the luxury resort nestled in the desert in Scottsdale.

Adrianna is a recognizable face on the red carpet , interviewing such as **Leonardo Dicaprio** and J**ohnny Depp** for EXTRA. In a beautiful ceremony outside at the Fountain Terrace, with the backdrop of Pinnacle Peak and the towering saguaros; she wed **Scott Gorelick** of California. (Even their dog **Jerry**, a poodle named for **Jerry Garcia** of the Grateful Dead, was in the ceremony.) Adrianna and Scott first met 11 years ago, but it wasn't until last year that they reconnected and fell in love.

How did Scott propose? Very creatively. He made up an invitation for a fake fundraiser at the Montage Resort Hotel in Laguna Beach, California and asked Adrianna if they could make a weekend of it at the resort because it was their 1-year anniversary. In one of the hotel suites Scott set up violinist, guitarist , photographer and personal butler. When he lured her into the room , the butler was there with a tray of rose filled champagne flutes. Scott got down on one knee with a ring and proposed.

Congratulations to the lucky couple!
