Rocky Point Offers a Great Vacation Spot

Written by Judy MacKenzie

Rocky Point offers relaxation, fun, and, most importantly, freedom. With everything from great restaurants, luxurious spas, athletic amenities ranging from snorkeling to golf and an all-around laidback atmosphere, Rocky Point is an ideal seaside vacation spot.

Everyone's talking about the Fifty Shades trilogy these days and how so many women are so hooked on the books they skip cooking dinner, forget the wash, and take their book with them where ever they go. The last book is "Fifty Shades Freed". Being free is what rocky point has to offer today. Freedom to enjoy relaxation, fun and frolic in our community by the sea is what's waiting for you.

We have the El Captain restaurant with its incredible panoramic view of rocky point. El Captain is the spot for taking photos from their huge outdoor patio. If you're a photographer "buff" this is the place for you. Your photos will be exceptional; especially while having margaritas at sunset.

If you're looking for a seaside restaurant where your children can play on the beach while you're having your meal or an ice cold refreshment then Wrecked at the Reef is the place for you. With a huge screen for sports and several smaller ones for your viewing pleasure you'll feel the excitement of cheering your favorite team on to victory. Plus there's a pool table, ping pong tables, indoor/outdoor dining, and live music on the week-ends. Wrecked at the Reef is a favorite place for all ages. Try the fish basket it's oh so good and their premium margaritas are fantastic!

How about some water activities? For a fun day try Eco Fun #1 and a trip to Bird Island where you can kayak and snorkel. It's a great boat, with a great crew and a great way to spend a day in Rocky Point. Ask for Michael Poturalski 011 52 638 388 9699 or stop by their office in the Baja Hotel for more information. Another specialty is their sunset cruise.

What every lady loves; a day spa with an ocean view! Yes, we have La Spa at the Sonoran Spa Resort on beautiful sandy beach offering massages, facials, spa manicures and pedicures (they're wonderful), body treatments, eye treatments and waxing services. A special service is their teeth whitening at ½ price. It's a piece of heaven. The waiting room will put you in a tranquil mood even before your service begins. I could fall asleep with the spas wonderful calming atmosphere. You'll want to come back again and again.

How about golf? Yes, we have that too! In fact, we have 3 courses to choose from: Peninsula, The Links and The Club and, of course, they all have summer specials. From one end of Rocky Point to the other golf is waiting for you. Try it you'll like it in Rocky Point.

Water sports for all ages can be found in Rocky Point. You can rent kayaks, jet skis, and paddleboards and/or go parasailing, gliding, boating and fishing all on our beautiful Sea of Cortez in Rocky Point. Rocky Point is a playground for all ages.

Are you ready to come? We've got what it takes to satisfy your desire for a happy interlude by the sea.

P.S. Don't forget your books. Reading on a beautiful white sands beach is about as good as it gets!
