

Welcome to The Clarendon Hotel

Written by Courtney Childress

You may wonder where you can find AZ Foothills magazine, well it has made its way into another home. Thanks to Ben Bethel the Owner of the Clarendon Hotel in Phoenix you can find it in their lobbies and hotel rooms starting in March. The Clarendon Hotel is in the heart of Phoenix and perfect for all the visitors to see just how great this city truly is. We are so excited to be in The Clarendon Hotel as it represents the state of Arizona as a great place to travel and stay.
