

Best of Tucson 2010

Written by Arizona Foothills Magazine

For nearly 14 years, Arizona Foothills Magazine and AZFoothills.com have featured the very best our state has to offer it's residents. From community happenings, worthy causes and notable citizens to delicious new restaurants, luxurious fashion, interesting culture and events, we have covered it.

Recently, AZFoothills.com has shown to be wildly successful- the constant growth of the Web site and it's accompanying e-newsletters have brought in hundreds of thousands of readers from across the globe! Through it, we are able to share up-to-the-minute Arizona information, event photos, contests and trends with Southwesterners and those who live in other states, countries and continents.

In Fall 2009, AZFoothills.com held a Best of Our Valley contest for businesses, people and other favorites in Phoenix, Scottsdale and surrounding areas. Three months and nearly 5 million votes later, the contest was deemed a success!

Now, we are on a mission to showcase the best of the best in Tucson as chosen by those who really know- our readers in the Old Pueblo. This Web and magazine promo will involve web voting for a two-month period to determine the favorite in categories like Best Sushi, Best Architect, Most Amazing Resort and more.

In 2010, AZFoothills.com will feature AZFoothills.com's Best Of Our Tucson in a direct-mail piece and huge Web feature, inspired by and mentioning our winners. The winners will be found in the Best Of Story indefinitely on AZFoothills.com and receive special promotional opportunities from AFM.
