What better way to relax than with delectable appetizers, chilled beers and even top-shelf cocktails at decent prices after a long day at the office? Happy hour acts as a de-stresser, perfect for winding down heavy days and a valid excuse for weekday get-togethers. The best part: there are so many happy hour selections to choose from including food with local or international accents, drinks with unbelievable flavor, and restaurants with stunning interiors, fancy patios and tranquilizing music. Let these hotspots introduce you to a whole new dimension of happy hour.

### Roka Akor's Shochu Lounge

Opened late every night, this suave Japanese-influenced lounge boasts happy hour perfection. Sample some fresh shochu tonics in exquisite wild strawberry, jasmine or plum and ginseng flavors. Enjoy snack plates alongside international beer, wine and liquor varieties. 480.306.8800, [www.rokaakor.com](http://www.rokaakor.com)
