Neiman Marcus Scottsdale is proud to announce the unveiling of their new in-store boutique, CUSP. Carrying all of their contemporary designers including Theory, Vince, Alice + Olivia and DVF, they've also added an amazing contemporary selection of shoes, handbags and jewelry. Located on the second floor of Neiman Marcus Scottsdale, the shop has undergone an extensive renovation, with brightly colored fitting rooms, globe lighting fixtures and modern visual elements making it the perfect backdrop to speak to summer trends.
