

New Fox Restaurant Concept to Open in Phoenix

Written by Kirstina Bolton

EXTRA! EXTRA!

Sam Fox has reinvented the status quo of restauranteur with his creations of Arrogant Butcher, Olive & Ivy and Culinary Dropout to name a few. But now, his crew just unveiled a "Coming Soon" sign at the old Ducati and Kawasaki garage and dealership at 7th Street (just south of Montebello in North Central Phoenix), giving neighbors and the community the first glimpse of the restaurants and play space: "The Yard."

Plans include Fox's unique gastro-pub styled Culinary Dropout, a neighborhood Fish House and Oyster Bar, and future local merchants, and plan to open early 2013.
