

"Bachelorette" Couple Celebrate at Scottsdale Resort

Written by Melissa Larsen

Reality TV fans are more than familiar with Ashley Hebert and J.P. Rosenbaum, the recently married stars of "The Bachelorette." On Sunday, when ABC airs "The Bachelorette: Ashley and J.P.'s Wedding," more than just the couple will be on display.

During the two-hour televised special, the twosome will be shown enjoying their bachelor and bachelorette parties, prior to their wedding, at the Valley's own W Scottsdale.

During the visit, Hebert and Rosenbaum took part in all the W Scottsdale has to offer, including whiskey tastings for the men and poolside mani/pedis for the women. The couple even reserved a little time to themselves to enjoy a romantic ice skating date on W Scottsdale's new rooftop ice rink, CHILL.
