

Newest Luxury Condominiums in Scottsdale: Envy

Written by Ashley R. Carlson

Scottsdale-based Deco Communities recently announced an exciting project slated for completion by 2016—a new luxury condominium tower in the heart of Old Town Scottsdale. Entitled Envy, the property will boast 90 units varying in size from 800 to 1,720 square feet, with all of the newest amenities: European-style kitchens, gas appliances, steam showers, and large balconies to enjoy the panoramic view of the nearby Camelback Mountains or the bustling city. Envy will also offer residents a 24-hour concierge service, enormous fitness area with juice bar, underground parking, and a rooftop pool. Reservations for Envy residences will be open in Summer 2014, with units starting at \$425,000.
