[Risas Dental](#) has announced the opening of a new location in Phoenix near South Mountain. In honor of the new location, the dental group is offering free dental services. On Saturday, June 4, patients who line up that morning at the new Phoenix location on Southern and 16th Street will get to choose from one of four treatments being offered that day, including teeth cleaning, cavity filling, tooth extraction or a complete exam with X-rays. "We feel fortunate that we're able to use our talents and resources to give back to the communities that support us every day of the year," says Managing Director, Jeff Adams. "To provide this to more communities and more people who need it the most – that is our ultimate goal." The celebration doesn't end there as local radio station, Power 98.3, will be on site with live DJs, ticket giveaways and a prize machine for children.
