

PV Welcomes Mountain Shadows Resort Condominiums

Written by Editorial

Slated to open in September 2017, Paradise Valley's [Mountain Shadows Resort Condominiums](#) is touted to be the benchmark for desert luxury and distinctive design. Sitting below Camelback Mountain, the first and only residential three-story building in PV will feature 42 fully furnished luxury resort condominiums (59 keys) designed for people seeking "lock and leave" resort-style living, including four penthouse resort condominiums featuring unrivaled views of Camelback Mountain.

Inspired by 1950's modernism and the breathtaking backdrop of Camelback Mountain, Mountain Shadows Resort Condominiums combine the tranquility of a neighborhood with the perks of resort living for an exclusive lock-and-leave lifestyle.

As members of Mountain Shadows resort, condominium owners can reap the benefits of resort living from day one. Direct access to the entire Mountain Shadows property encourages owners to take advantage of benefits such as home meal delivery, housekeeping, valet and concierge services, plus the fitness facility and movement studio.

Available from \$840,000 to \$4.1 million, The Mountain Shadows Resort Condominiums offer studio, one- and two-bedroom floor plans, ranging from 1,000 to 3,370 square feet.
