On Saturday, Jan. 28, from 2 to 6 p.m., join in for the Li'l Wick Grand Opening at [Trilogy at Wickenburg Ranch](#). Li'l Wick is the 9-hole par-3 course that blends golf with entertainment. The course surrounds Watering Hole, an bar and grill which features classic American fare as well as select beers, wines and cocktails. Popular outdoor games, nine wide-screen televisions showing all the latest big games, fire pits, a four-person hammock, an outdoor smoker/barbecue grill and music streamed around the course complete the laidback, fun vibe. Plus, four holes are lit for evening play. What also sets Li'l Wick apart from other courses is that pedestrians and onlookers are encouraged to enjoy the fun. At the grand opening event, also enjoy live music by the Desert Coyotes and plenty of outdoor activities, like a golf boat shot challenge, longest-put competition and beat-the-pro contests.
