

Toll Brothers Introduces In-Home Dog Showers

Written by Editorial

Toll Brothers, the nation's leading builder of luxury homes, has introduced the in-home dog shower as an option at Turquesa, a community of 20 estate-sized homes in Scottsdale, priced from the low \$1 millions.

Like the shower in the model home's sumptuous master bath, the dog shower features a fetching design. It's a sleek glass enclosure with beautiful ceramic tile and a multi-functional hand sprayer that makes dog washing an easy task. Just beware of the inevitable wet dog shake. Situated in the laundry room, dog showers are a practical solution for cleaning dirty, muddy paws before your four-legged family members traipse through the house.

The Turquesa sales office, 7107 East Navarro Court in Scottsdale, is open from noon to 5:30 p.m. on Monday, 10 a.m. to 5:30 p.m. Tuesday through Sunday. The in-home dog shower is available at all of Toll Brothers new home communities. For additional information, visit www.TollBrothers.com/luxury-homes/Arizona.
