Q: What does being a part of this date auction mean to you?

A: I am so grateful to be able to be a part of a charity that gives back to causes I am so passionate about. That being kids. It's a very unique and fun way to raise money and I know that this year will be the best yet.

Q: Why should someone bid big dollars for a date with you?

A: The chance to go on a FUN and EXCITING date with someone that you have never met before is a unique way to get to meet new people and create new friendships. Raising money for such a great cause should be reason enough as well. With this charity date auction it is more then donating money but a chance to meet new people and try something FUN AND NEW.

A: It means a lot to me, kids are our future. If going on a date and meeting new people can help benefit those less fortunate than I am more than willing to be auctioned off. I was lucky to grow up with a great family and a safe upbringing so this is the least that I can do.

Q: Why should someone bid big dollars for a date with you?

A: First of all its for the kids. Secondly, you can't put a price tag on chivalry; I honestly feel that most guys nowadays are not gentleman. You can take me home to Mom and chances are your Dad would approve of me as well. Lastly, I am single, so if the date goes well maybe there will be a second date my treat.
