5th Annual Fabulous Day of Pampering for the Women of Central Arizona Shelter Servic

Written by Karah Van Kammen

In an effort to provide the women of Central Arizona Shelter Services (CASS) with a day filled with pampering; Style Stalkers, LLC- an innovative fashion blogging and consulting company along with supporters in the community have joined forces to create an incredible day to remember. The 5th Annual Fabulous Day Of Pampering on Saturday, December 3 will provide the women of CASS head-to-toe makeovers, facials, hair styling/hair-cuts, makeup makeovers, massages, manicures, gently used seasonal clothing, shoes, a catered meal, good conversation and other items of need.

Central Arizona Shelter Services provides shelter and supportive services to nearly 10,000 of the Valley's homeless each year. CASS' mission is to end homelessness in Phoenix and it has been at the heart of CASS' work for over 25-years. As the largest provider of shelter and supportive services for homeless individuals in Arizona, they shelter nearly 1,000 men, women and children each night. With the help of Style Stalkers, LLC and other supporters, they can provide both the men and women with clothing items of need, but more importantly, give the women of CASS an opportunity to have one day worry free and feel good about themselves starting from the inside out.

Style Stalkers is currently accepting gently used clothing for men and women of all sizes as well as unopened/new toiletries, cosmetics, skin care products and hair care products to add to the gift bags and monetary and gift card donations to directly provide to the shelter. Donations can be delivered to: 1366 East Thomas Road, Suite 201, Phoenix, Arizona 85014 between the hours of noon and 4:00 p.m. Monday through Friday from now until Wednesday, November 30, 2016. The team is also currently soliciting volunteer hair stylists, nail techs, food servers, clothing distributers and massage therapists. Please note, all are welcome and encouraged to donate. However, the December 3 event is closed to the public in an effort to protect the privacy of the residence of the shelter.
