

Luxe Pool Loungers

Written by Victoria Fouts

Avoid the summer heat by relaxing in the pool on your own luxurious pool float. With so many styles to choose from, it can be overwhelming to find what type best fits your summertime needs. Check out this *AFM* list of the best pool lounges for you and your family!

Connelly Dock King Floating Island

Enjoy a nice, cold drink with friends without ever having to leave the pool. The Connelly Dock King Floating Island seats four people and has a designated cooler storage space in the center of the pool float. Large backrests and molded in cup holders will provide comfort and relaxation for those lazy days in the pool with the company of friends. The larger float comes with a separate individual lounge and repair kit as well.

Solstice Home Resort Series Aqua Sofa

This exquisite sofa can fit up to three adults or can serve as a private indulgence for just you. Inflate the float with the battery-operated pump that comes with it and then spread out on the soft fabric top to rest your head on the three provided pillows. When you are done relaxing in the pool, simply deflate the sofa and store it in the accompanying draw string carry bag.
