(prices start at \$75, [Stave Puzzles](#))

Let's just be honest, who doesn't need a nice pen to just have - instead of carrying around some run-of-the-mill pen, why not a beautifully designed and highly functional [Ageless Gel Pen](#) from Pilot Pens? These refillable pens are sleek, stylish, and will definitely make a fabulous addition to either his desk or briefcase. (\$67, [Pilot Pens](#))

If he's a football fan AT ALL, he will love this. Any football fan will love this book - because it's easy to read and recognize the big plays, games, and players, it's easy and fun to flip through. It would also be a great book to discuss during half time while watching the Cardinals games! (\$32.95, [Amazon](#))
