Have you ever stumbled upon a blog so wonderful that you meant to spend just a few minutes surfing through the pages, but were still enamored an hour later? Well that happened to me when I came across [Indulge](#).

Robin, the woman behind the blog, encourages you to indulge in life, in love and in food. Now, that's my kind of girl! Here's one of the first recipes that I came across on her site and I encourage you to check out the rest here: [Indulge](#)

CARAMEL APPLE & BRIE SKEWERS

(Adapted from [Indulge](#))

- 2 Medium Green Apples, cubed
- 1 pkg (6 oz) Brie Cheese, cubed
- 1/2 Cup Hot Caramel Topping
- 1/2 Cup Candied Pecans
- 2 Tbsp Dried Cranberries

On each of the six wooden appetizer skewers (or mini toothpick skewers for smaller bites), alternately thread apple and cheese cubes; place on a serving tray. Drizzle with caramel topping; sprinkle with nuts and garnish with cranberries!
