The Circus School of Arizona proudly fosters a safe and non-competitive environment where children have the opportunity to be taught by experienced aerialists and performers. Students will learn to work in a team, build strength, and gain confidence all while having a blast! Each camp will culminate in a "showcase" on the last day so students can show off all the fantastic skills they've learned to friends and family alike.

Several camp options are available for kids ages 7 – 13 which include a full day session from 9am to 3:30 pm or half day sessions either in the morning from 9a – 12p or afternoon from 12:30p – 3:30p. Students will learn to flip, balance, juggle, and climb to new heights with lead instructor Mary Adrenaline. Mary Adrenaline, originally from Bucharest, Romania, has been teaching at CSA and performing with the CSA Arts & Entertainment company since 2013. Her skill set includes an extensive range of areas including Aerial Fabric, Lyra, Trapeze, Rolling Globe, Stilt Walking, Hand Balancing, Hula Hoops, Poi Spinning, Fire Dancing and Cyr Wheel.
