

Mom's Moment: Roadtrip with Redbox

Written by Nadine Bubeck

Memorial Day weekend seems to be the unofficial start of summer. Now's the time when families want to get away, vacation and let loose- but sometimes roadtripping can be a tedious experience for families (especially with young kids). So I thought it would be fun to share some movie insight courtesy of Redbox. They recently released lists highlighting new and traditional movies to get your posse in the vacay spirit. These flicks are great to stream in the car, in the plane or late night in a hotel room.
