Written by Karah Van Kammen

Calling all cute kids, AZ Foothills is on the hunt for our next little model! Each year AZ Foothills sets out to find one superstar kid between the ages of 6 – 12 to represent the brand as our Junior Face of Foothills model. The Junior Face of Foothills will receive a professional photo shoot that will be featured in *Arizona Foothills Magazine* along with a personal profile, an article on AZFoothills.com, special VIP event appearances throughout the year, and hundreds in cash and prizes!

Get your kiddo in front of the camera and into our magazine by attending our Open Kids Casting Call...check out all the specifics below!

When: Saturday, June 17, 1p – 3p

Where: Kid to Kid Boutique – 8664 E Shea Blvd #152, Scottsdale, AZ 85260

Requirements: Boys and girls, ages 6 - 12. No size or height restrictions, all looks and types welcome. No previous modeling experience is needed. Headshots are not mandatory but welcome; they do not need to be professional.
