

Luxury Apartment of the Month in Phoenix: San Pedregal

Written by Written by Shanna Fujii

It's no wonder San Pedregal apartments have the word "regal" in the name. Located in Phoenix, these luxury apartments have pulled thematic elements from the coast starting with their 24-hour sandy beach swimming pool. The outdoor whirlpool spas, cabanas, barbecue grills, 42 inch flat screen TVs, free wi-fi, and sand volleyball court will also help Arizonans utilize the three digit temperatures to their advantage. The Mark-Taylor living community also offers residents a kitchen and fireplace clubhouse, along with a 24-hour fitness room complete with modern equipment, free weights, and a wireless entertainment system. Men and women steam rooms and showers are also accessible to conclude every residents' recreation time on a clean note.

In addition to the decadent amenities, San Pedregal has five different floor plans to choose from. Apartments are available in one, two, or three bedroom models measuring from 1009 to 1476 square feet. Prices range from \$829 to \$1320 a month, and with the indulgent fixtures involved, the pricing is well worth it. Apartment features include nine foot ceilings with fans, tile flooring in the entryway, kitchen, and bathrooms, mirrored walk-in closet doors, marble vanities, intrusion alarm systems, and patios with storage rooms. Built-in microwaves, refrigerators with ice makers, self-cleaning ovens, and full-size washers and dryers are pre-installed among oak cabinetry for added convenience and comfort. The San Pedregal community is also accommodating for the little ones—both child and critter. On-site children's playground and swings allows kids to safely rumble and tumble outside while an on-site dog park venue does just the same. For all these reasons and more, it is easy to see why San Pedregal is a breath of fresh air among the masses.
