**Recently opened, Redstone at SanTan Village is pure bliss in the heart of Gilbert. Located near SanTan Village mall and easily accessible to biking, hiking and jogging trails, you will love this vibrant community in the East Valley.**

Redstone at SanTan Village has essentially everything you look for in a residential community - a gorgeous gated entry, resort-style swimming pools with sundecks, a poolside cabana, an elevated whirlpool spa with a flat screen and fireplace, a club room and more. You won't even have to leave your apartment to feel like you are in a swanky, trendy locale.

This residence offers 12 convenient floor plans to fit your lifestyle. With open kitchens that boast granite countertops and stainless steel GE appliances, your abode will surely be the destination for get togethers with friends. Bedrooms at Redstone SanTan Village come with walk-in closets, Roman soaking tubs in the master baths and french doors that lead to your private patio or balcony.

You can stay fit at the luxurious location complete with a 24-hour fitness center, or invite friends over for a barbecue at the picnic area. If you are a gamer, take advantage of the pool view lounge club with a kitchen, Wii and Xbox. You can also stay connected at the cyber cafe, which offers WiFi, or keep up with work at the business center with computers and a printer.
