

District at Biltmore: A New Luxury Community

Written by Suzanne Koch

Just steps from the happening Biltmore Fashion Park is [District at Biltmore](#), a brand new apartment community offering the best in modern living. Located on 24th St. just south of Camelback Rd. in Camelback Corridor, these new luxury apartments feature spacious one- and two-bedroom floor plans with high-end finishes like quartz countertops, stainless steel appliances, custom cabinetry and full-size washer and dryers. Walk-in closets, a private balcony or patio and a gourmet kitchen island can also be found in the higher-end apartments. For top-notch living, the corner units feature expansive wrap-around balconies and large living areas, making for the most luxurious options.

One-bedroom floor plans start at \$1,200 and range in size from 593 sq. ft. to 841 sq. ft. while two-bedroom floor plans start at \$1,820 and range in size from 979 sq. ft. to 1,294 sq. ft.

Community amenities rival that of luxury resorts and include a large swimming pool with lounge seating and spa, a fitness center with additional studio and virtual trainer, a garden courtyard with a ramada, BBQ grills and fire pit; a putting green, bocce court and ping pong table and a rooftop lounge complete with a kitchen, BBQ grills, a fire pit and 360-degree views.

A resident lounge area with an executive conference room, demonstration kitchen, TVs and game room offers an ideal space for relaxing, group meetings or getting some work done while a cyber cafe with individual work stations and a coffee bar is also available. Like the residences, the lounge areas are outfitted with modern and contemporary decor, creating a posh yet casual space.
