## DIY Christmas Centerpieces

Christmas truly is the jolliest time of the year. What makes it the jolliest are the memories created each year with loved ones. Make this Christmas even more special with these simply beautiful DIY centerpieces.

**Candy Cane Candle Holders**

Spare a few candy canes this season and deck your table with candy cane candle stick holders. Using a hot glue gun, glue about five to six candy canes around candles you have at home. Let the glue dry and complete the look by wrapping holiday ribbon around the candle. Source: Pinterest Style Estate

**Glass Cloche Light Display**

Battery-powered light strands provide ambience at the table -- indoors or out. Top strands of lights with a decorative glass cloche and watch eyes light up during dinner. Source: Better Homes and Gardens

**Stacked Bowl Centerpiece**

Look around the house -- you likely have everything you need to whip up a pretty centerpiece in a jiffy. Stack white bowls filled with small
