

New Luxury Vehicles

Written by Written by Jessica Rush

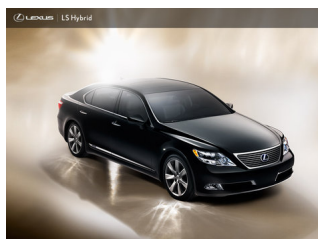

All new, top-notch cars of 2011 will have you flying into the new year.

BMW Z4

This new roadster introduces a first-ever retractable hardtop. The newly redesigned BMW iDrive has a more intuitive interface with an 8.8-inch display screen with high-resolution graphics. Dripping with new technology, the Z4 will easily connect your iPod, iPhone or MP3 player. With dynamic driving control, drivers can opt for the sport button for a quicker engine response as well as reduced power steering assist. Bi-Xenon headlights follow the direction of the wheels, turning around bends, allowing the driver to see more of the road faster, enabling a safer ride. Worried about driving in Arizona's rainy season? With the enhanced braking system, the automatic windshield wipers trigger the brake-drying feature. Starting at \$46,500. www.bmwusa.com.

LS Lexus Hybrid

Drive to your heart's content in the world's first prestige luxury hybrid. The new LS 600h L Hybrid will save you money with a smarter, fuel efficient model. Being a super ultra-low emissions vehicle, going green can be your new motto for the year. Regenerative braking turns normally lost energy into electrical power to help recharge the car's battery. Equipped with eco-mode, an eco indicator display on the panel will guide you to the most efficient use of fuel. Using the world's first V8 all-wheel drive, optimum traction allows for a smoother, gentler ride. With built-in HomeLink, control up to three remotes with the touch of a button. Enabled with Bluetooth, you can control your iPod effortlessly. Always know where you are going in your luxury hybrid with the state-of-the-art voice-activated hard disk drive navigation system. Starting at \$111,350. www.lexus.com.

Jaguar XFR

Heart-racing and engine revving is a promise in this new Jaguar XFR luxury sedan. Both stylish and bold, it is the top-tier of sporting luxury. Keyless entry and start is just the beginning of all the great features of this sleek cat. Xenon headlight allows the lights to move with the wheels, being able to see more road sooner. Park safely with a front and rear camera parking aid including a seven-inch touch screen visual indicator. Be the envy of the neighborhood with its 13 speaker surround sound system bumping at 440 watts. An in-dash six disc CD player, as well as an iPod and MP3 adapter allows you to drive and suit your musical mood, whatever it may be. Starting at \$79,600. www.jaguar.com/us/en.

ML350 SUV

Mercedes-Benz doesn't mess around when it comes to safety. Coming out on top in every government crash-test rating, the ML350 is a great family-friendly car with style. Drive with ease with keyless-go, and put those days of carrying keys behind you. A long wait ahead of you? No sweat, watch a DVD while you wait in the single slot, six-disc changer. Opt for the heated front leather seats to warm your body on those chilly
