

Spring Organizing Tips

Written by Lauren Topor

Tidy up your clutter this spring with some helpful hints, tips and tools from Scottsdale's very own cleaning expert, The Container Store. Spring is the perfect time to cleanse our closets, homes, garages and attics of all our unwanted and outdated junk. Refresh, renew and reorganize your home this season. We have the advice to help get you started.

Organize on the Cheap

The Container Store shared helpful organization project tips that can be achieved for under \$100.

Boot Box, \$10

Navigating your closet will be so much easier by transferring all of your boots and shoes from their old shoeboxes into clear containers. The boxes are easy to see and are securely stackable for optimal space conservation.

Stackable Bamboo Drawer Organizers, \$8

Junk drawers seem to be a headache that we often ignore and the problem tends to become worse and worse. Simplify your drawers by add a stylish bamboo drawer modular or tray to keep things neat and in place.
