

Luxury Apartment of the Month in Phoenix: Alta Ravenwood

Written by Shanna Fujii

The Alta Ravenwood living community soars above the rest.

With Mark-Taylor as the designer, Alta Ravenwood has a lush reputation to uphold. Alta Ravenwood utilizes modern townhome floor plans to match the vibrant city of Tempe. A gated community prioritizes the residents' safety and security, while a seven acre greenbelt allows residents to enjoy the cool weather.

Alta Ravenwood employs a “beach house” architecture that immediately creates a sense of relaxation. Townhomes are available in two or three bedroom floor plans ranging from 1223 to 1533 square feet. Each townhome comes equipped with its own two-car attached parking garage—a feature not many other living communities offer. Each apartment has vaulted ceilings with fans, a patio and/or balcony, full-size washer and dryer, and modern kitchen and bathroom cabinetry. A convenient kitchen pantry, whirlpool appliances including built in microwaves and refrigerators with icemakers, and contemporary stain-nickel hardware finishes permit easy storage and clean-up. Within the bedrooms are walk in closets, dual-sinks in the master bath, and select pool and courtyard views of the community.

Community features allow Alta Ravenwood residents the convenience and luxury to socialize and entertain. Outside is a resort style pool with spa, along with poolside cabanas with barbeque islands. The seven acre landscaped greenbelt with walking paths throughout the community also connects to the on-site dog park. A high tech cyber café, including wired and wireless internet access, is available for residents as is the 24-hour state of the art fitness center. For even more entertainment purposes, a resident clubhouse with a media lounge and billiard tables is open for use.

With all these top of the line features, it is clear to see why Alta Ravenwood is a nominee for the Best Luxury Rental category in the Best of Our Valley 2013 competition. For more information about Mark-Taylor Alta Ravenwood townhomes, please visit www.mark-taylor.com/arizona/alta-ravenwood.
