

Behind the Building: The Elements of Sage Lentz

Written by Christina Tetreault

With a passion for creativity, luxury homes, and anything in the building mechanics realm, Sage Lentz is notably one of the most recognized homebuilders in Arizona. Voted one of the top commercial and luxury homebuilders by various media outlets throughout the years, this valley native has created over 60-custom luxury homes and has his hands in many more than one type of home building pot. The entrepreneur has created and flourished three separate entities: Sage Luxury Homes, Sage Commercial Builders, and Sage Concierge.

[-Sage Luxury Homes:](#) “*Sage Luxury Homes* is well known in the Phoenix residential market for building quality luxury homes. Sage Luxury Homes has defined best practices for residential luxury design, new home construction, and remodels. Let their expert craftsmen guide you through a well defined, easy building experience to keep your costs down and project on budget.”

[-Sage Commercial Builders:](#) “*Sage Commercial Builders* is a full-service, commercial construction company based in Scottsdale, Arizona that operates throughout the Southwest. Their teams combined experience in design, construction, and project management will keep your project on schedule and budget.”

[-Sage Concierge:](#) An extension of Sage Luxury Homes and Sage Commercial Builders. “Sage Concierge brings every business or homeowner a handyman and best friend, offering a variety of resources. Their forte is complete maintenance and improvements for homes, businesses, yards, vehicles, and pets. Whether it's kitchen remodeling, plumbing projects, or increasing home storage, Sage Concierge provides the how-to knowledge you'll need for reliable home maintenance and property management.”

The local headquarters for Sage Lentz and his triple-threat company is at 4237 N Craftsman Court, Suite 200, Scottsdale, AZ 85251.
