Tuesday, 31 March 2009 14:02 - Last Updated Thursday, 16 April 2009 10:56

The *Arizona Foothills* Designer Showhouse is in full swing! The rooms are decorated to the nines, the shuttles are scheduled and the four charities are selling those tickets!

For those of you not in-the-loop, the Designer Showhouse has been an *AFM* tradition since 1999. We pick the most amazing home on the market, the Valley's most talented designers and the most deserving nonprofits for the ultimate Showhouse tour experience. This year, the public has the opportunity to tour the most expensive spec home ever in the Valley, a \$20 million, 23,000 sq.-ft. masterpiece on Mummy Mountain. Best of all? 100% of proceeds from the event go to the charities. This week, tour tickets purchased will go to the SW Center for HIV/AIDS. For tickets and info, call 602.307.5330 ext. 2221. To see photos of the rooms, [click here](#). We'll see you this weekend!
