Which American Idol finalist will be appearing at Scottsdale Fashion Square this Saturday? We'll give you a hint, he's a Valley native with a scandalous past.

You guessed it, David Hernandez! This top 12 finalist blew away the judges with his rendition of "Papa Was a Rollin' Stone" and found tons of (unwanted?) media attention when it surfaced that he was a nude dancer before making it big on AI.

With all the drama behind him, Hernandez regularly performs at Barcelona and will be appearing at Dillard's this Saturday from 2-4 p.m. to sign autographs.
