Arizona Foothills is on TV!

Arizona Foothills Magazine's Melissa Larsen made her TV debut today on ABC15's Sonoran Living Live!

A special segment on outdoor entertaining was right up her alley- our Food Editor talked about all the ways entertainers can make outdoor BBQ party spaces chic and fun for company, while staying casual and comfortable in our state's crazy heat. The segment ties in with AFM's July issue, where we feature all the ways to throw a perfect backyard bash. It's airing this Thursday- set your TiVO's!
