

Wet N Wild: Tory Burch's Jesse Swimsuit Pouch

Written by Claire Perkins

Wet N Wild

Hanging out in a 'kini at the Royal Palms definitely is glam, but nobody thinks about (or offers solutions) for the lame parts of going to the pool. Like hanging out in a wet swimsuit or having ugly hair.

Well, Tory Burch's Jesse Swimsuit Pouch comes to the rescue in the case of the mildewey swimsuit in the suitcase. Just rinse it off and tuck in the clear vinyl pouch before shoving in your Samsonite.
