

Buttery Goodness: Kate Spade Croissant Coin Purse

Written by Claire Perkins

Buttery Goodness

Just when we thought Kate Spade couldn't take it any farther, they threw delicious, flaky carbs into the mix with this new worth street croissant coin purse.

Yes, this month's pattern is France-inspired, so with it comes adorable little accessories inspired by the French, like this perfect patisserie pouch. It's golden metallic leather, and perfect for change.

Which we will presumably blow on even more carbs.
