

AZ Insider: Diamondbacks Derrick Hall Selling Home

Written by Written by Kathy Shayna Shocket

Kathy Shayna Shocket has the inside view of the stories that make headlines.

Step inside the famous baseball executive's home.

With two children in college and another soon to graduate high school, President and CEO of the Arizona Diamondbacks **Derrick Hall** and his wife **Amy Hall** want to downsize. So they've put their impressive Paradise Valley property (that they've called home since 2007) on the market.

Now it's batter up for the next family who steps up to the \$2.89 million price tag!

Step inside their 6,432 square-foot home nestled on 1.56 acres in the shadows of Mummy Mountain was custom built. And the Hall's added more than \$500,000 of improvements to their abode with four bedrooms and five and half baths .;

The formal living room opens to the wondrous backyard for the ultimate in indoor/outdoor living.

Flowing lines and spacious windows allow for abundant sunshine. The magnificent split floor plan with a master wing includes his and her offices or flex space for workout room. There's also a chef's kitchen and separate butler's pantry with the luxuries of an ice maker and warming drawer.

Russ Lyon|Sotheby's International Realty has the listing for the property with envious outdoor living. Check out the expansive flagstone patios, the pebble tec pool with sheer descents, the fire pit accent features and separate sitting areas which each have with gas fireplaces.
