One of the most popular items in the live auction, was the VIP, meet and greet tickets for a **Dierks Bentley** concert. Not to mention the chocolate covered Oreos baked ONLY for the event by volunteer **Jennifer Kunes**.

Speakers such as **Alec Porter**, shared his inspirational story of how LOH helped him rescue 14 pets abandoned at one foreclosed home. **Darylle Dennis** pictured above right with **Brenda Breit** (Jodi's mother), is the life coach who help inspired Jodi to change her career path and start an animal charity. The Jackson Family Foundation was among the other notable supporters, underwriting the bubbly for the holiday affair. LOH is the only organization in the Phoenix area whose mission is helping pets and pet parents in crisis, with a 90 day temporary pet program. They're dedicated to rescuing pets abandoned, or at risk of homelessness, due to foreclosure, eviction, or other financial hardship. And it's a no-kill rescue!
