Explore the many summer experiences of Sanctuary Camelback Mountain Resort & Spa, with spectacular summer specials at sanctuaryaz.com.

Whether you prefer wining and dining, relaxing by the infinity pool, learning from the masters of cuisine and cocktails, rejuvenating spa treatments or an invigorating hike, you'll find it at this extraordinary, 53-acre boutique resort on the north slope of Camelback Mountain above Paradise Valley.

Relax in the scenic splendor of a **Mountain Casita** -- for special rates see sanctuaryaz.com. Or choose a beautiful Spa Casita, or a luxurious Mountain or Spa Suite with its own living-dining area. Enjoy intriguing features like a travertine marble shower and often a separate oversized bathtub, plus nightly candlelight turndown.

Make yourself at home in the Asian-inspired spa with indoor and outdoor treatment rooms, fitness center and movement studio offering complimentary classes for guests, and special touches like the Sanctum Suite, meditation garden and tranquil Watsu pool. Also ask about the **Ladies First Spa Package** for a getaway with your girlfriends. Or choose the "**Be A Member for the Day**" Spa Package including a 60-minute spa treatment, Bento box lunch, and tax & gratuities -- all for just \$145 per person any Monday-Thursday through Sept. 1.

Shake it up during **Mixology 101**, a fun and interactive cocktail experience -- limited to a personalized group of no more than 10 guests at jade bar, where the secluded patio features unparalleled views. Every Saturday through July 2, and every Sunday from July 10-Aug. 28, at 1pm the Sanctuary mixologists demonstrate 3 to 4 cocktails...sharing tips and techniques along with jade bar's freshness philosophy, spirit details, cocktail history and tastings of your favorites.

Sanctuary's tenth annual **Lunch & Learn** summer series introduces guests and locals to culinary stars like Vincent Guerithault, Robert Irvine, Eddie Matney, Michael DeMaria and more. Beginning July 9, these Saturday events during July and August include a three-course meal paired with wine or cocktails, along with lessons on how to prepare the culinary specialties, and recipes to take home. With the purchase of a Lunch & Learn ticket (\$75), take advantage of a **special \$169 nightly rate** for a Mountain Casita including a **complimentary upgrade**, subject to availability.
