L'Auberge de Sedona, one of the Southwest's foremost luxury retreats, has just completed a 2 year, \$25 million renovation and expansion.

Nestled on the banks of Oak Creek in Sedona's renowned Red Rock region, L'Auberge features 62 luxury cottages and 25 traditional lodge-style guestrooms. Brand new Vista Cottages and Suites offer panoramic views of Sedona's spectacular Red Rocks. On-site, the award-winning, Four Diamond L'Auberge Restaurant on Oak Creek serves Regional American cuisine with Mediterranean influences, which Arizona Republic food critic Howard Seftel recently proclaimed "ingeniously flavored, artful and altogether delicious."

L'Auberge de Sedona's new Veranda wine bar, located alongside babbling Oak Creek, has just unveiled an expanded wine list including several pages of Arizona's best varietals. This popular bar features firepit tables, perfect for fending off the chill in the air while enjoying a glass of wine or an aged-on-the-premises, cask-conditioned cocktail. The newly expanded Spa at L'Auberge offers luxurious treatments infused with natural ingredients. Just minutes away, the treasures of Sedona await, with numerous art galleries and boutiques as well as outdoor activities including golf, hiking, horseback riding, jeep tours, fishing and helicopter and hot air balloon rides.

This winter, L'Auberge de Sedona invites guests to experience the property's brand new, luxury guest rooms and suites and stunning scenic surroundings to make unforgettable vacation memories with a new seasonal offer called **Exceptional Moment**. Guests who book their stay using the Exceptional Moments rate code will receive L'Auberge's best available rate plus a food and beverage or spa credit that ranges in value based on the room type booked.
