

Unlimited Golf at Starr Pass Golf Club

Written by Nichole Brophy

Tucson golf has long flown under the radar. World stage events like last month's Accenture Match Play Championship have propelled the region into the spotlight as a prime desert golf destination. Now, frequent visitors of Tucson can take advantage of an exceptional golf deal at the JW Marriott Starr Pass Golf Club.

From breathtaking views to sensational golf holes, The Starr Pass Golf Club has long been the standard for which other courses in the region are compared. The club's 27 holes of award-winning golf are spread over three nine-hole tracks – the Rattler, Roadrunner and Coyote- designed by the legendary Arnold Palmer. The courses offer up some of Southern Arizona's most challenging golf (though we all know the greater the challenge, the greater the rewarding feeling of scoring a par or birdie).

The Starr Pass Golf Course is truly in a class all its own. Golfers can experience championship golf in lush, Sonoran Desert terrain on a course that traverses canyons, ravines and desert washes. The golf facility also includes a double-loaded driving range, rejuvenating 20,000 square foot clubhouse and top-quality golf shop. In previous years, the course was named to Condé Nast Traveler's Top 100 Golf Resorts.

At present, the resort is set to launch the Starr Passport, a golf program exclusively catering to players who frequent the resort numerous times throughout the year for its award-winning golfing. No other Arizona hotel or resort offers such a comprehensive golf program.

Included in the new Starr Passport program, golf enthusiasts can enjoy unlimited golf every time they stay at the resort throughout one entire year. The Starr Passport is available for \$500 and includes unlimited golf with every resort stay. For couples or golfing buddies, the value of the Starr Passport is tremendous due to the fact that each Starr Passport also includes unlimited golf for one additional player. A membership card will be issued at the time of package purchase.
