

Its all about summer fun in the water, and all at an incredible value with our two most popular guestroom packages. Come to Southern California and enjoy The Balboa Bay Club & Resort, the only waterfront resort in Newport Beach.

With our own Marina and docks, its water activities galore all summer long! We have electric Duffy boats, stand-up paddleboards (adult and children sizes) and one and two person kayaks all available for rent. Pre-arranged chartered boats for sightseeing and fishing can easily be arranged as well.

Without even leaving the Resort, guests have access to many amenities, including elegant accommodations, fine dining, a lounge and terrace with nightly music, dancing and refreshing cocktails. Complete Spa and Salon, heated swimming pool, whirlpool and a fitness center! On Sunday evenings all summer, long guests can enjoy a delicious BBQ with live Calypso music overlooking the bay. Just a close jaunt from The Resort you will find the quaint town of Balboa Island, the artist village of Laguna Beach. The wonderful city of Newport Beach is full of world-class shopping, dining, bike riding, hiking, the beach, boating and so much more.

"Preferred Resort Perks Package"- This premier package allows guests to plan their stay in comfortable surroundings. Designed to make the most of a getaway, this package includes:
