If you are looking for a friendly place to send your furry friend while you are away for the weekend, the Sabino Canyon Pet Resort is the answer to your problem. Why not allow your pet a fun vacation while you are away? With a variety of pet services, clean and spacious dog runs, friendly staff, and never-ending treats, Sabino Canyon Pet Resort is any pup's dream.

The resort offers a variety of boarding options for your dog. Indoor/outdoor kennel runs are provided to each dog, with the ability to venture inside and out for their comfort. A small dog area is available for small dogs to be separated from large dogs. For the more spoiled pet, deluxe suites can be purchased. With this package, kennels are more like a hotel room, yet still indoor/outdoor. Suites in the deluxe package are quieter, more private, and feature a raised cot bed.

While your pup is enjoying his or her stay at the resort, they can take advantage of the pet grooming services. Services for all breeds and sizes of dogs are available. Pets can experience a Bath & Brush package, or the Complete Tucson Pet Grooming experience. This package includes a bath, nail clipping, ear cleaning, and a haircut that perfectly fits your furry friend's needs.

Pet owners can also choose from a variety of pet services to pamper their pet on their trip. Fifteen minutes of play time, potty breaks, 20 minutes of swimming, a bedtime story, a Ritz cracker with tasty tuna, treat time, snuggle time, and a busy bone toy are all offered at the resort.

Finally, the resort offers a few packages that will fit your pet's needs. Try the Pampered Pooch Package that features an ice cream treat and snuggle time, or the Splash N' Play Package for a play and swim session for active dogs. The resort is also prepared to meet special dietary or medication needs of your pet. Along with an array of services to spoil your puppy, the resort also offers services for cats and other pets. Reserve a spot for your pet today, and feel comfortable that your pet is in dog heaven while you are away.
