

About

Written by Arizona Foothills Magazine

Arizona Foothills Magazine, a gorgeous, high-end publication, is an upscale lifestyle magazine that reaches affluent, well-educated readers in the prestigious desert foothills communities of Arizona.

We created *Arizona Foothills Magazine* in 1996 to be the signature luxury lifestyle publication for the state and one that provides advertisers the opportunity to reach the hottest demographic groups in Arizona through a truly upscale format. We are a niche magazine that reaches the more affluent residents. They have the income to support luxury items, regular dining out, finer homes and interiors and lifestyle choices.

Our audience identifies closely with the community and response has been tremendous! Engaging editorial celebrates lifestyles and leisure activities, dining, home decorating, health, travel, entertainment, shopping, fashion, local celebrities, the arts and stories that help enhance enjoyment of living in the Arizona desert.

We appreciate any feedback or comments. Please feel free to contact us via our [contact page](#).
