Being raised by a mother alone and working with mostly women in this industry, I once again will say it: Women are smarter and work harder than men. Happy Mother's Day to my mom and to the other very important women who help guide me in fatherhood. Leslie and Katherine, I love you both.

Face of Foothills casting calls are everywhere. This is an annual contest in which we look for a new face, male or female, to appear for one year on the header of every page of AZFoothills.com. Plus, the lucky winner will receive more than \$10,000 in prizes. Last year, the ages of entrants ranged from 14 to 47 years old. You do not need to have experience to enter, and there is no cost. This year is even more fun because we will be live at 14 Westcor malls this month to take headshots. You can meet past winners at some of the locations, and Westcor will be providing food, fashion, beauty bars and more at each call. Complete details can be found on AZFoothills.com.
