Independence Day is one of the most exciting holidays of the year and Arcadia Vintage has all the clothes and accessories you need to celebrate.

Every year America celebrates the Declaration of Independence claiming independence from the Kingdom of Great Britain on July 4th 1776. America has come along way since 1776. Now, over 200 years later, we still keep the same traditions of fireworks, picnics and barbeques. Women and men don their “red, white & blue” duds to show respect to the nation’s heritage, laws and history. What better way to commemorate our great nation than to purchase vintage pieces that were made in America with quality and love! Many vintage pieces still contain “union tags” made in the USA by women working while their husbands were off to war fighting for our nation’s freedom.

Pair your favorite long skirt with a vintage body suit. Or, when the sun goes down, slip on a classy vintage sports jacket with cut off American made jean shorts. Cat eye sunnies complete the look. Throw your hair in a ponytail and enjoy a festive cocktail while the fireworks dance in the sky! Happy Birthday America!
