April 15, 2009 (Scottsdale, Ariz.)— *Arizona Foothills Magazine's* Face of Foothills model search has begun. The winning model, who encompasses the style, substance and sophistication of the luxury publication, will serve as the FOF through Dec 31, 2010, and receive a pile of amazing prizes!

The 2010 Face of Foothills will be on the cover of the February 2010 issue of AFM, star in a fashion shoot and see her face featured on the ArizonaFoothillsMagazine.com and AFM E-Newsletter headers for one full year. She'll also receive a weekend stay in the Valley with spa treatments and other prizes.

Only professional models from the top agencies in New York, Los Angeles and Scottsdale have graced the pages of *AFM*, but the magazine is opening the contest to anybody over 18 years of age. April 15 through July 15, *Arizona Foothills* will collect submissions via e-mail, at faceoffoothills@mediathatdeelivers.com. Entrants must submit the following:

*A head shot (no makeup, please!) and full-length shot

*Contact info including name, phone number and e-mail address

*Measurements including height, size, bust, waist, hips, hair and eye color

Arizona Foothills editors and the Creative Director will choose the top 50 models, who the public can then vote on at ArizonaFoothillsMagazine.com through September 30. A panel of editors, sponsors and judges will then meet the top 10 in person and choose their winner. All rules and regulations can be found [here](#).
