What better way to pamper yourself for a day than with a blowout service at Heat Blow Dry Lounge? Heat is Tucson's first blow-dry lounge, conveniently located on Campbell and River Road.

Heat offers a variety of blowout services from mellow heat to intense heat, and everything in between. They offer sleek and straight hairdos, curly hairdos, and beach waves. All blowouts are \$35 and come with a wash and style, perfect to prepare for a night out!

Heat also offers make-up services with professionals on hand to glam you up. False lashes can be put on for \$10, the same cost as a make-up refresher. The Glam Me Up make-up package is available at \$20 for those who want to try out the latest make-up techniques and fashions. The I Want It All package, at \$35, includes a full make-up application. An airbrush make-up application is also available.

Heat is a great place to freshen up your look before a date, girls night, or even senior pictures. If you want to enjoy Heat with friends, private party packages are available. Bridal, Prom, and On-Site services are available.

If a blowout is just what you need to kick start your week, become a Heat member and plan one for every Monday! Simply Heat members will receive three blowouts a month for just \$59 a month. Feel The Heat members will receive six blowouts a month for \$99 a month. Finally, Ultimate Heat members will receive as many blowouts as they want for \$299 a month.

Heat has flexible hours, and is open later Thursday through Saturday. Call and book your appointment today—trust me, you won't regret it!
