Need an idea of where to take your special someone on Valentine's Day? Westward Look Wyndham Grand Resort & Spa's GOLD restaurant is the perfect place to celebrate with delicious eats, a romantic ambiance, and a breathtaking view.

GOLD is one of Tucson's most elegant and top-rated restaurants. The award-winning culinary team led by Executive Chef James Wallace will work to create a gourmet meal for you and your partner.

The deep burgundy tablecloths, cozy booths, dim lighting, and one-of-a-kind panoramic view of the city makes the restaurant glitter with romance. For \$59 per person, plus tax and gratuity, diners will be able to receive a special Valentine's Day three-course meal.

The contemporary culinary delights include a Pan Oyster Stew, French Onion Soup, Roasted Organic Beet & Frisee Lettuce, and a Smoked Mountain Trout Spread for starters. Main course options will include Steak Oscar with Crab Meat, Pan Seared Duck Breast, Grilled Ribeye, Petite Angus Filet Mignon & Cold Water Lobster Tail, Winter Vegetable Lasagna, and Pan Seared Sea Bass Fillet. The final course will offer a sweet way to complete your meal. Dessert choices include White Chocolate Bomb, Dark Chocolate Cheesecake, and Vanilla Bean Torte.

Reservations are available from 5 p.m. to 9 p.m. on February 14 and are strongly encouraged. Call today and make surprise, romantic plans to celebrate with your love.
