Tucked away in the stunning foothills of the Santa Catalina Mountains is a Tucson gem, Anthony's in the Catalinas. Anthony's, owned by Anthony Martino, cooks up gold-medal meals served by experienced staff to customers, all while they enjoy breathtaking views of the La Encantada area.

Anthony's offers five different dining rooms with options suitable for an intimate meal for two, night out with friends, or large private parties. The Wine Library, the Cellar, the patio, the Sunset Room, and the Main Dining room all come together to make the exquisite restaurant comfortable and luxurious for groups of any size. For large parties, the special events staff will assist you in timing, budget, and ensuring things run smoothly.

When it comes to dining, Anthony's has something for everyone. The year-round menu includes steakhouse favorites like Filet Mignon, Tenderloin Beef Medallions served with wild mushrooms, Roast Duckling Au Poivre, Grilled Wild Alaskan Salmon served with a Brandy shrimp cream sauce, and more. Lunch favorites include the Chicken Pesto Provolone sandwich, Chef's Shellfish Salad, Grilled Chianti Salmon served with spring greens and creamy risotto, and more.

This offer is valid through November 30, and cannot be used with any other discount coupons.

As if Anthony's delectable menu is not enough, the restaurant features an award-winning wine list of over 1700 wines from around the world. Wines range in price from \$25 to \$15,000 per bottle. The restaurant has two experienced sommeliers on hand to help with guests' wine needs.

Groupon currently has a 50 percent off deal for Anthony's in the Catalinas, making the restaurant beautiful, delicious, and more affordable than ever. Purchase a \$90 value certificate for only \$45 with the special, but hurry because the offer has limited time remaining!
