

Indulge in a sweet treat and improve the lives of children with cancer during [Culver's](#) Concretes for a Cause campaign. Purchase any Concrete Mixer from January 25-31 at participating Culver's restaurants throughout Arizona and \$1 will benefit [Phoenix Children's Hospital's Step Up. Stop Cancer.](#) campaign, which benefits lifesaving care at the Hospital's Center for Cancer and Blood Disorders.

Cancer kills more children than any other disease. At Phoenix Children's, 430 children were newly diagnosed with cancer in 2019. The hospital's Center for Cancer and Blood Disorders (CCBD) had more than 30,602 appointments in 2019, a 35% increase in the past 10 years. Your Concrete Mixer purchase will benefit the kids, families and groundbreaking patient care at the Hospital. Phoenix Children's thanks Culver's for participating in Step Up. Stop Cancer.

About Phoenix Children's Hospital

Phoenix Children's Hospital is Arizona's only children's hospital recognized by U.S. News & World Report's Best Children's Hospitals. For 35 years, Phoenix Children's has provided world-class inpatient, outpatient, trauma, emergency and urgent care to children and families in Arizona and throughout the Southwest. As one of the largest children's hospitals in the country, Phoenix Children's delivers care across more than 75 pediatric specialties. Recognized specifically for its patient-focused innovation, medical education, growth and research, Phoenix Children's was named Business of the Year and Exceptional Innovator by the Greater Phoenix Chamber in 2018. For more information about the hospital, visit phoenixchildrens.org.
